

5th Nordic ENVRI workshop on Arctic RI collaboration
at UNIS – The University Centre in Svalbard on 5-7 September 2016

Final Agenda

Core topic of the workshop: Arctic research infrastructure collaboration and observations.

Meeting room: Lassegrotta (next to the reception) at the University Centre in Svalbard (UNIS, see <http://www.unis.no/>)

Monday 5th Sep

15.00 – 15.20 Welcome, scope and expected outcomes of the workshop (*Sanna Sorvari*) +
Coffee/Tea/Sandwiches

Session I – Current state of the Arctic Observation systems and Research Infrastructures
Chair: Sanna Sorvari

15.20 – 18.20	SIOS (<i>Ole Jørgen Lønne</i>)	15 + 5 min
	ICOS (<i>Eija Juurola</i>)	15 + 5 min
	ACTRIS (<i>Paolo Laj</i>)	15 + 5 min
	ANaEE (<i>Hanna Silvennoinen</i>)	15 + 5 min

Short break

EISCAT (<i>Anders Tjulin</i>)	15 + 5 min
INTAROS and ArcticRoos (<i>Hanne Sagen</i>)	15 + 5 min
IPA (<i>Hanne Christiansen</i>)	15 + 5 min
EPOS Norway (<i>Karen Tellefsen</i>)	15 + 5 min

18.20 – 18.30 Summing up of session I (*Sanna Sorvari*)

19.00 Dinner at Kroa, see <http://www.kroa-svalbard.no/?lang=en>

Tuesday 6th Sep

09.00 – 09.15 Welcome to day 2 and introduction of the day (*Ole J Lønne*) + Coffee/Tea

Session I (continues) - Current state of other Arctic observing initiatives and programmes

Chair: Ole J Lønne

09.15 – 12.00 EU-PolarNet (*Nicole Biebow*) 15 + 5 min

PEEX (*Hanna Lappalainen, remote talk*) 15 + 5 min

AARI (*Alexandr Makarov*) 15 + 5 min

COAT (*Åshild Pedersen*) 15 + 5 min

Short break

GEM (*Magnus Lund*) 15 + 5 min

IASOA (*Taneil Uttal, remote talk*) 15 + 5 min

AMAP and SAON (*Martin Forsius*) 15 + 5 min

Arctic ABC and ARCTOS (*Malin Daase/Maxime Geoffroy*) 15 + 5 min

12.00 – 15.00 Field trip to EISCAT facility at Svalbard + Lunch on spot
We go together by bus from UNIS.

Session II – Technical/Station/Site collaboration

Chair: Sanna Sorvari

15.00 Coming back to UNIS + Coffee/Tea/Snack

15:00 – 16:10 MOSJ (*Stein Tronstad*) 15 + 5 min

SMEAR concept (*Marjut Kaukolehto*) 10 + 5 min

Ny-Ålesund, its infrastructure and scientific flagships (*Christina Pedersen*) 15 + 5 min

Zeppelin Observatory – an infrastructure collocating RIs and networks in the Arctic
(*Cathrine Lund Myhre*) 10 + 5 min

16:10 – 16:40 Discussion on facilitating technical/station/site collaboration + Summing up of
session II (*Sanna Sorvari*)

Session III – Arctic data collaboration and data portals

Chair: Øystein Godøy

16.40 – 17.00 Data collaboration and data sharing in the Arctic – emerging infrastructure and
current practices (*Stein Tronstad*) 15 + 5 min

17.00 – 17.30 Discussion on Arctic data collaboration

17.30 – 17.45 Summing up of session III (*Øystein Godøy*)

19.30 Workshop Dinner at Huset, see <http://www.huset.com/en/restaurant/>
We go together by bus from Radisson Blue Hotel at 19:00.

Wed 7th Sep

09.00 – 09.15 Welcome to day 3 and introduction of the day (*Christiane Hübner*) + Coffee/Tea

09.15 – 09.35 WMO Integrated Global Observing System (WIGOS) - standards and impact
(*Øystein Godøy*) 15 + 5 min

09.35 – 11.30 Mapping of future collaboration + Next steps

11.30 – 12.00 Summing up the workshop (*Sanna Sorvari*)

~12.00 End of the meeting + Small sandwiches
Bus transfer from UNIS to airport is organized for both of the departure flight options.
